

Publicity Report 2018

Billie Maas and I have shared the role of Publicity in the absence of a dedicated Publicity Officer.

Billie has done a terrific job of keeping us all informed of what's happening in our District. She set us up on Facebook which enables members instant access to news on events. The website is easy to navigate, and we keep it constantly updated with event information, results and photos. Thankyou Billie for all your hard work in this area. I assist when possible by adding photos and reports on special events.

Photos and results of District events have been sent to WBNSW for publication in The Rollup.
